**HONDA**  
The Power of Dreams

# Your Best Dream Ever!

*Great value that performs.*

**DREAM110**

- Ample power for performance
- Outstanding fuel economy
- Superior durability

## Equipment

Large multi-reflector headlight for safer nighttime riding.

The display keeps you informed: speedometer, gear position indicator and fuel gauge.

The 4-stroke 109cc engine combines satisfying power with high fuel economy.

The air cleaner element is designed for long life to protect the engine and reduce maintenance costs.

The chain guard also helps reduce the need for maintenance.

The cast aluminum wheels are tough, lightweight and stylish.

Candy Lucid Red

Clean Silver Metallic
